ABOUT THE PROGRAM

ABOUT AMDA

The Association of Municipalities and Development Authorities (AMDA) is an apex national organization functioning under the aegis of the Ministry of Housing and Urban Affairs (MoHUA), Government of India, dedicated to strengthening Municipalities and Development Authorities across the country. Through capacity building, knowledge exchange, policy dialogue and technical collaboration, AMDA promotes sustainable urban development and fosters excellence in urban governance.

ABOUT THE EXPOSURE VISIT

The Exposure Visit offers senior urban administrators an opportunity to experience nationally recognized models of Solid Waste Management, Smart City Governance and Citizen-Centric Urban Services implemented in Indore. Recognized as India's cleanest city for seven consecutive years (2017–2024) and now a member of the prestigious Super Swachh League, Indore continues to set national benchmarks. Participants will explore replicable practices for adoption in their respective cities.
